EXAMINER'S COMMENT AND STATEMENT OF REASONS FOR ALLOWANCE

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submissions filed on 16 September and 24 September 2004 and 11 January 2005 have been entered.

Information Disclosure Statement

2. The information disclosure statements attached to this action have been considered. The examiner notes that many of the references, particularly the references down loaded from the internet, do not include a date that predates the effective filing date of the application or include insufficient information in order determine the actual publication date of the references. In such case, any indication that they have been considered means only that they have been considered to the extent necessary to determine whether or not they are prior art. When the date suggests they are not prior art, and/or the date is indeterminate, no attempt has been made to apply the references against the claimed invention.

Allowable Subject Matter

3. Claims 12-14 are allowed.

Art Unit: 2878

4. The following is a statement of reasons for the indication of allowable subject matter: Regarding independent claims 12 and 13, the claims are allowed for reasons of record as indicated in the remarks filed 29 December 2003.

Claim 14 is allowed on the basis of its dependency.
